

StepUp2Green's mission is to provide homeowners the information, guidance and incentive to implement upgrades to home and property that will save energy and water while enhancing indoor air quality.

"Small steps by many people will have a large impact on our environment."

StepUp2Green Business Application

Business Name: _____ Phone: _____

Address: _____ City: _____

Owner Name: _____ Phone: _____

Main Contact: _____ Phone: _____

SU2G Checklist Products or Services that you provide*:

* Print out a checklist and mark the items that you provide.

Our business sells locally manufactured products.

We desire to join StepUp2Green so our business can become an official StepUp2Green sponsor. We pledge to make the SU2G checklist available to our customers who are interested in improving their property. We pledge to only represent appropriate SU2G products to our customers who are trying to achieve a SU2G award.

Furthermore, we pledge to accept any original packaging material for products sold from our store if brought back to us by the customer within 30 days of purchase. We also will take back any unused merchandise we sold, such as partially used cans of paint, cut ends of insulation, miscellaneous hardware not used by the purchaser, etc. Both of these items will be accepted back to our store, at no additional cost to the customer. This will allow us to more properly recycle packaging and other materials.

I, _____, the authorized owner/manager of the Business known as _____, hereby agree to the terms and conditions to become an official StepUp2Green sponsor.

Signature: _____ Date: _____
